

To Whom It May Concern

My name is Sandeep Sull and I'm president of Sandman Media Inc., in Vancouver, British Columbia (Canada). Sandman Media is a digital media agency specializing in fully compliant software solutions for public issuers across North American.

I am writing this letter of reference for Myeong Jae Kim who did an internship here at our firm in January of 2017. He did very well during his time here and was a fast learner. In addition, he was punctual and had a great attitude while getting along well with everyone here. As a result I have no hesitation in writing this letter of recommendation for Mr. Kim.

If anything further is required or there are any questions then I may be personally reached at sandeep@sandmanmedia.com.
